Recycling ordinance update per State of WI

The ordinance needs to be updated by April 2026; it has been sent to the attorney to be updated.

Hydrant cleaning equipment.

It was asked from last months meeting to bring back additional uses for a skid steer or small tractor to be used in addition to cleaning of hydrants. Daun suggested additional uses could be cleaning around and piling snow around the building. To help with hanging the flags and banners, cemetery clean up and roads. Park cleanup, cleaning of storm inlets, pushing down the dumpster. Currently we rent a skid steer at \$65.00 an hour. Schubert is going to check into area ordinances for clearing snow from hydrants. Discussion held and it will remain on the agenda until next month.
